

Graffiti Remover

*Removes all types
of graffiti from
almost any surface*

Main features:

- ✓ Non-toxic
- ✓ Biodegradable
- ✓ Soy-based
- ✓ User-friendly
- ✓ Safe for the environment
- ✓ No toxic fumes
- ✓ No petroleum derivatives

Removes all color or **spray paint**, **permanent markers**, **inks**, and **lipstick** from almost any surface, including **metal**, **concrete**, **glass**, **aluminum siding**, and **tile**. Contains no less than 61% of bio-based materials and does not contain any petroleum distillates or petroleum by-products.

Graffiti Remover does not aggressively affect the Perfect Plus (PC 80) base coating.
